LUGGAGE RESTRICTION:

Passengers are allowed to bring luggage on board as long as it can be stowed on the luggage rack near the rear doors, on the floor in front of the seat, on the seat beside them, unless the seat is required by another passenger or on their laps. Yellow lines are on the floor of all the Airport buses to delineate the area where baggage is not allowed. Primarily this area is the aisle of the bus. DO NOT drive the bus with ANY luggage stowed within these lines. Operators are not expected to handle any luggage.

.
PROCEDURES AT THE INTERNATIONAL AIRPORT:

The stop at the International Airport is near the South end of the commercial transportation lane (where the taxis and Airport Shuttle buses stop) on the arrivals level. When approaching the airport, stay in the curb lane as though you are headed to the departure level (DON'T GO UP THE RAMP!). As soon as you get past the concrete barrier on your left side as you enter this area you will see two gates ahead. Use the left gate only. All Airport buses are equipped with a transponder that opens the gate to this area. If the gate doesn't open, there is a call box that connects you to parking supervisors. Make sure you use the lane marked for buses. Once under the building overhang, stay on the right side of the concrete median (the lane closest to the terminal building). The stop is just past door 7 (about 15 metres North of Door 8- there is an ETS bus stop sign at this location- BusLink number 9747). This is NOT the same stop that Leduc Transit uses. Use caution pulling into this stop so as to avoid contact with the large drain pipe that runs down from the 'overhang' over door 7. Please warn passengers exiting the rear doors to 'watch their step' as it is difficult to get the rear doors close to the curb in this stop.

.
*** NOTE *** Immediately call and inform Control if any vehicle is parked in the designated bus stop.

.

FARE STRUCTURE FOR AIRPORT SERVICE IN ALL TIME PERIODS:

.
The ONLY acceptable methods of fare payment for passengers on the Route 747 Airport Bus are: an Airport Bus pass; two ADULT ETS tickets; ETS Employee pass; CNIB pass; or the payment of a cash fare. The cash fare is \$5.00 except for children 5 years and under, who are free when accompanied by a fare paying adult. Do not issue transfers to any passengers.

.

Operator Note:

- * Operators must wear seat belts when outside Edmonton city limits.
- * Please complete count sheet and turn into dispatch.
- * DO NOT allow bicycles when operating on the Highway as bike racks are not certified for highway use.
- * Maximum number of standees is 25

.
***** **EMERGENCY PROCEDURES** *****

- .
1. Ensure the safety of the passengers.
2. Call Control and advise them of the situation. (Route, Run, Badge, and Location)
3. Secure the bus and activate hazard lights.

 - 6. In daylight hours, place reflective flares (which are located in the emergency kit) 100 feet to the front and rear of the bus. In the nighttime, place reflective flares 250 feet to the front and rear of the bus. (Remember to wear safety vest while performing these procedures),
 - 7. It is also advisable to inform passengers that the safest place to be is on the bus.
